Subject: Migrating e-Governance System of 'Limited Liability Partnership' to MCA21

Ministry of Corporate Affairs has integrated LLP system into MCA21 system with effect from 11th June 2012. All LLP related filings should be done on the enhanced LLP portal (<http://llp.gov.in>).

LLPs incorporated under the earlier LLP system (i.e. before 11th June 2012) which function with both Designated Partners and Ordinary Partners are required to update/ verify the details prior to filling/ uploading forms. This can be carried out from any login; however, it should be authenticated by DSC of Designated Partner of the LLP at the final submission. For LLPs which function only with Designated Partners, the above process is not required.

Detailed user guidelines and FAQs are hosted on the LLP portal to aid users. In case you still face issues you are requested to contact MCA21 Helpdesk facility.

MCA: FACILITATING CORPORATE GROWTH WITH ENLIGHTENED REGULATION.
